

14 Day Aloha Hawai'i & French Polynesia April 1 – 15, 2021

Award Winning Itinerary

Sail from one paradise to another on this 14-day cruise from Honolulu to Papeete. Oahu is a haven for pro surfers, especially at legendary North Shore where waves can reach 50 feet and higher. Just watching is exhilarating. If you're a Jurassic Park fan, the verdant peaks and valleys of Kauai might look familiar. Since you're here overnight, be sure to partake in a luau with authentic cuisine and fire dancers—and see Waimea Canyon. Just when you think you've seen the most spectacular views, along comes Moorea. Every view is a postcard, including the pastel-painted villages. And if the locals appear so youthful, monoi oil might be the reason. Bring a bottle home and the fragrance will transport you to Tahiti time and again.
